

Coop Tech Application Information and Procedures

Thank you for your interest in applying to The School of Cooperative and Technical Education (Coop Tech). Coop Tech provides CTE courses in a variety of industry driven fields. Courses are one year in length unless otherwise noted in the course description. Course descriptions can be found online at www.co-optech.org

In order to apply to Coop Tech, applicants must be **17-21** years old and either in high school (11th-12th grades only), a D79 Program or have already graduated. Acceptance is based on students having already earned at least 20 credits toward high school graduation and on passing the majority of current classes. Priority for acceptance is given to District 79 students, post-graduates, seniors and students who do not have access to CTE programming in their home school.

Students must take the following steps to apply to Coop Tech (Incomplete applications will not be processed):

1. Complete the Coop Tech application:

- Parent/Guardian **AND** applicant **MUST** complete, sign, date and return the application regardless of student age
- High School and P2G Applicants: Students must attend a half day program at a home school or P2G program and have a Guidance Counselor signature from the HS/P2G program they will be attending while at Coop Tech.

Please include HS/P2G site name.

- Please select your 1st and 2nd course choice, session (AM or PM) and site location on page 2 of the application.

2. Submit ALL of the following supporting documents:

- Current transcript
- Most recent Report Card
- Copy of Diploma (for Post-graduate students)
- Most recent IEP (when applicable)

3. Tour of Coop Tech (strongly suggested) contact cooptour@coopteched.org to schedule

4. Submit the application and supporting documentation:

Applications and supporting documents can be submitted in the following ways:

- Scanned and emailed to coopadmissions@schools.nyc.gov

Notification

All students and guidance counselors will receive email notification of their application status.

Important Application Information

Attendance

Students are expected to attend Coop Tech on a daily basis. In order to promote satisfactory attendance, both Coop Tech and students' home schools engage in Parent/Guardian outreach and regular school to school communication. Students who wish to attend Coop Tech need to be co-enrolled and attending their HS/P2G program on a daily basis.

MetroCards

Coop Tech does not issue MetroCards. MetroCards (3-way) are to be issued by students' home schools or P2G sites. Post-graduate students are not issued DOE MetroCards.

Lunch

Students who are co-enrolled in a high school program are to be provided with and eat lunch at their home school.

Special Education

Coop Tech is a career and technical education program that is open to students with and without disabilities. Classes are taught by certified CTE teachers and vary in size (classes are capped at 28 students). As course demands, sequences and class sizes may vary, it is important that students work closely with their Guidance Counselor, Transition Coordinator and Parents/Guardians to choose courses that best match their interest and ability. Home schools should include conversations about Coop Tech in IEP meetings to ensure that the program students receive at Coop Tech is described appropriately and included in students' IEPs.

Students who are mandated to receive full-time 1:1 paraprofessional support are expected to attend Coop Tech with either (1) their assigned paraprofessional or (2) the home school may elect to send another appropriately trained 1:1 paraprofessional with the student.

IEP mandated special transportation and related accommodations must be arranged by home schools. Translators, FM units and other adaptive equipment are also arranged by home schools and are expected to accompany students to Coop Tech when needed.

District 75

District 75 applicants must be referred by their home school after careful consideration and conversations with parents/guardians, D75 staff, and students. District 75 registration procedures can be accessed via the D75 Unit Coordinator rmiller27@schools.nyc.gov. In addition to the general application process, District 75 students must also submit the Articulation Agreement with the application package.
